Attention Narissa Taylor

## Current status of the Broads Dam reversion applications:

All compliance issues have now been met, and on the 28<sup>th</sup> of December 2007 the Department approved the applications to proceed to be advertised to notify Native Title Parties. The Company would expect that the Native Title Parties would enter into a Standard Heritage Agreement. In these circumstances, the applications are usually granted within four months from advertising, such advertising should take place in the coming weeks.

Yours faithfully
